

SW 3536: Women and Children in Uganda

Spring 2008

We are now recruiting students for a
service learning trip to Uganda.
Travel dates are May 18-June 8.

Our three weeks will be spent working with Youth Focus African Foundation, in southern Uganda near Kampala. We will live and work in the villages and our projects will include working with preschool and elementary school children, women's economic development, and health education.

If you have questions, please see Dr. Tiffany Christian,
9C Chapell Wilson or email her at christinty@appstate.edu

Application materials can be found at
